ACADEMIC DETAILS

B Tech (Information Technology)	2022-2026	MMMUT, Gorakhpur	7.76/10.0
Class XII (CBSE)	2022	Surya Public School	88.0%
Class X (CBSE)	2020	Delhi Public School	83.0%

PROJECTS

E-commerce │ *React.js CSS JavaScript Node.js Express.js MongoDB*   *15th March 2024- 5th April 2024*

- **Project Link:** Live Link
- **Designed and developed a dynamic e-commerce website leveraging modern web technologies.**
- Led end-to-end development of an e-commerce platform using React.js, CSS, HTML for frontend, and Node.js with Express.js for backend, integrating MongoDB for database management.
- Implemented responsive design, and user authentication, ensuring optimal user experience and data security.

Portfolio │ *React.js CSS JavaScript*   *1st February 2024- 7th February 2024*

- **Project Link:** Live Link
- **Designed and developed a responsive portfolio website.**
- Implemented reusable React components for efficient development and maintenance.
- Customized CSS styles to ensure visual consistency and enhance user engagement.
- Employed responsive design techniques to optimize the website for various screen sizes and devices.

What is ChatGPT-3 ?│ *React.js CSS JavaScript*   *2nd January 2024- 4th January 2024*

- **Project Link:** Live link
- **UI Clone of ChatGPT 3 About Page:**
- Developed a responsive user interface clone resembling the ChatGPT 3 platform, utilizing React.js, CSS, and HTML.
- Implemented interactive components and user-friendly design principles to replicate the functionality and aesthetics of the original application**.**

ACHIEVEMENTS

- Solved 300+ questions across various coding platforms.
- Two Star at CodeChef max rating (1460).
- LeetCode max rating (1506).

SKILLS

CODING:
- Proficient in:
  - C++
  - Data Structures and Algorithms (DSA)

DEVELOPMENT:
- FRONTEND:
  - HTML , CSS , JavaScript , React.js , Bootstrap , Tailwind CSS
- BACKEND:
  - Node.js , Express.js , MongoD**B**

OTHERS:
- Strong Communication
- Team Collaboration
