EDUCATION

Madan Mohan Malaviya University of Technology   **Gorakhpur, U.P**
B-Tech in Information Technology   *Expected Graduation, May 2026*
                                                                                           CGP – 7.9/10.0 (upto 3rd Sem)

EXPERIENCE

MMMUT RESO , MMMUT   **Gorakhpur, U.P**
Web Developer
- **Project Link: Live Link**
- Collaborated with a team to develop a resource website for our college, featuring past year questions (PYQs), notes, and other academic materials.
- Utilized React, CSS, and JavaScript to build an intuitive and responsive user interface.
- Focused on enhancing resource accessibility and user experience for the college community.

PROJECTS

E-commerce | *React.js CSS JavaScript Node.js Express.js MongoDB*
- **Project Link: Live Link   Github Link**
- Designed and developed a dynamic e-commerce website leveraging modern web technologies.
- Led end-to-end development of an e-commerce platform using React.js, CSS, HTML for frontend, and Node.js with Express.js for backend, integrating MongoDB for database management.
- Implemented responsive design, and user authentication, ensuring optimal user experience and data security.

Portfolio | *React.js CSS JavaScript*
- **Project Link: Live Link   Github Link**
- Designed and developed a responsive portfolio website.
- Implemented reusable React components for efficient development and maintenance.
- Customized CSS styles to ensure visual consistency and enhance user engagement.
- Employed responsive design techniques to optimize the website for various screen sizes and devices

Music Academy Platform | *Next.js Tailwind CSS TypeScript*
- **Project Link: Live Link   Github Link**
- Implemented a fully responsive design to ensure optimal viewing across all devices, from desktops to mobile phones.
- Developed a user-friendly course catalog, allowing users to explore a diverse range of music courses categorized by genre and skill level, complete with detailed descriptions and instructor profiles.
- Utilized Next.js for dynamic rendering, Tailwind CSS for modern styling, and TypeScript for type-safe code, ensuring a fast and robust application.

ACHIEVEMENTS
- Solved more than 500 questions across various coding platforms.
- 2 star at CodeChef max rating(1466).
- LeetCode max rating(1506).

SKILLS

Programming Languages and Technologies : C++ | Javascript | Html
Web development : React Js| NodeJs | MongoDb | Express Js | CSS |Next Js |Typescript |Tailwind CSS
Tools : VSCode | Cloudinary | Git | Github | Vercel |Bootstrap

Others: Strong Communication | Team Collaboration
